

Wishing Well

Our life together on this day starts,
Joined together at the hearts.
The home we've built to love and share,
Is almost complete, but not quite there.
We've bought the towels,
the dishes too,
We have quite a lot, more than a few.
We'd love to suggest, instead of a gift,
Financially is where we need a lift.
Your help is needed as you can tell,
The gift of love is a wishing well.

WISHING WELL

Many of our guests
have enquired,
For a gift idea to be inspired.

Like many young couples today,
We have most things anyway.

If you would like to give,
it is our request
For something for
our treasure chest.

A gift of money you can afford
Is just what we need
you can be assured.

Now that we have saved you,
all of that fuss.
We hope you will come, and celebrate with us.

You are probably thinking a present you'll need to bring,
But just your presence will mean everything.
In each other we have all we'll ever require,
But if you insist, there is a little something to which we aspire.
With special travel plans to follow our Day,
A small gift of currency would help us on our way.
No need to go overboard or rob a bank
Whatever your gift, it will be received with thanks.

we've been together for a little while now,
we've collected all our household things, before we took our vows.
If you were thinking of giving a gift to help us on our way,
A gift of cash in our 'Wishing Well'
would really make our day

We don't want to offend, but have it all
All household goods and so much more.
To save you shopping, sit back and rest

A gift of money is our request.
Don't go overboard or rob a bank
Any little thing will be received with thanks.
We will supply the 'Wishing Well'
No wrapping, an envelope and who can tell
Now that we've saved you all the fuss
Come along and celebrate with us.

We love our family and what we share
Our home has been made with love and care.
Most things we need we've already got,
And in our home we can't fit a lot!
A Wishing Well we thought would be great
(but only if you wish to participate),
A gift of money is placed in the well.
Then make a wish...but shhhh...don't tell!
Once we've replaced the old with the new,
We can look back and say it was thanks to you!
In return for your kindness, we're sure
That one day soon you'll get
What you've wished for!.

More than just kisses so far we've shared
Our home has been made with love and care.
Most things we need we've already got,
And in our home we can't fit a lot!
A Wishing Well we thought would be great
(but only if you wish to participate).
A gift of money is placed in the well,
Then you make a wish...but do not tell!
Once we've replaced the old with the new.
We can look back and say it was thanks to you!
And in return for your kindness,
We're sure, that one day soon you will get
What you wished for.

We made a commitment some time ago.
that together through life we were destined to go.
We purchased our furniture, linen and bedding,
In the fulfilling years leading up to our wedding.
what else we might need is not easy to foresee,
But we will be blessed by your gift
on our money tree.

We are trying to grow a money tree
A difficult task you would agree
But it's something that we really need
Perhaps you would care to plant a seed.
